Haslucks Green

What we do in Nursery...

Beechwood at Haslucks Green is a fantastically welcoming place to send your child. Always approachable and willing to listen, our friendly staff have a wide range of knowledge and a professional attitude, with plenty of time to support your child and you in any way they can.

We aim to allow children to explore life within a safe and happy environment that we like to think of as a home away from home. In an effort to offer choices to the children we not only plan a wide variety of one to one and group activities, based upon the principles of **'In the Moment Planning'** where the child's needs and interests are the focus of what we do, we also allow the children freedom to choose what they would like to do; in doing so we hope to provide an atmosphere in which all children can develop, with their friends, at a relaxed and happy pace that best suits them.

We have a fantastic outdoor area where we have adopted the principles of free flow play where the children can choose between indoor and outdoor play as they wish. Do you remember making mud pies and building dens, making flower petal perfume, playing hopscotch or picking plums? These are just some of the many things we offer to the children in our safe and secluded outdoor surroundings including our new outdoor classroom area.

So finally we would like to apologise in advance if 'your child goes home dirty and sometimes they may go home tired, but we hope to always send them home with happy memories of their time spent at Beechwood at Haslucks Green'.

Parental Testimony...

"Haslucks is a fantastic setting with great staff that have been there for both of my kids. The facilities are excellent and they do lots of activities with the kids. I knew after my daughter left there, I didn't look anywhere else when my son needed a nursery a few years later."

The reason I chose Beechwood for my eldest daughter was all down to the professional and experienced staff. They made me feel at ease from the beginning. My daughters settling in period was really positive, she didn't even realise that I'd left her. I made sure I had my youngest daughters name down for a place for a year before she was due to start. I couldn't risk her not being able to go to Beechwood. The staff here are really friendly and helpful. I couldn't ask for a nicer place for my daughter to go.

Before & After School Clubs ...

On school days we're open in the mornings from 8am until school starts when we accompany the children in our care to their classrooms. We're open from School finish when we collect the children from the school hall and escort them down to our club room where they enjoy a snack before joining in with a variety of activities or find something they prefer to do, from the vast selection of resources available.

Children can stay with us for as long as you need them to, up until 6pm.
