News

At the end of April we have booked Makaton training for the whole staff team, we are so excited as the training will enable us to help all the children to communicate, in a more inclusive practice and to teach the children to sign. We will also share our training with you through signs of the week and signing songs and rhymes.

There are also lots of Makaton nursery rhymes on YouTube and of course Mr Tumble on CBeebies.

World book day

5th March is world book day. We will be having a sponsored listen during the week, (sponsor forms will be sent out after half term) and dress up as a book character on the 5th March, you have plenty of time to get creative.

Staff of the month

Well done to Jodine for achieving Staff of the Month for January, for settling into preschool with great enthusiasm. Well done!

Preschool news (Butterflies)

Multi Sports this Term is £12, cash in a named envelope please asap as little laces expect to be paid in advance.

If you are entitled to 30hr funding for Summer term I need your codes asap.

This half term our focus has been "All about me" with self-portraits, naming body parts and learning about our skeletons this will continue with staying healthy.

Nurture preschool (Caterpillars)

We are very proud to always focus on our children's interests, so this half term we have been firemen, farmers, looked after babies and had lots of fun!!

Baby Barn News

New children have settled well with the support of their key workers, good attachments have been made and the other children have made them feel very welcome.

Recycling

We are collecting crisp packets and pet food pouches for guide dogs for the blind, when we have a box full Emma takes them to the training centre in Leamington. Also, if you have any recycled rubbish that we can use we usually can!!

Many thanks, Judy and the team x
