- Sun hat and sun cream (apply at home) and bring in to keep at nursery
- Lunch and tea in washable container
- Daily covid agreement

News

We re-opened on the 1st June with limited spaces, keeping to bubbles of no more than 8 children. Many children have returned with more returning every week. The protective measures we have in place have meant the children can still play and have fun without any restrictions for them, just more handwashing!

We have had some lovely feedback from parents, regarding how happy children have been returning, children have been delighted to see their friends.

Holiday club

Our holiday club will be open throughout the summer, if your child is going to school in September and you require care during the holidays you will need to book. Form attached.

Facebook page

Thank you to everyone who has added photos and ideas to our group page, it has been a fantastic way of keeping in touch.

Preschool news (Butterflies)

This month we have been focussing in keeping healthy with discussions around hand washing and germs and what we can eat to keep us healthy. We have also been playing games and activities with numbers and letters to help prepare children for school.

Sadly, we will not be able to have our usual leavers party this year. Reports will be added to tapestry and sent to schools before the end of term. We will then set Tapestry so you can download your child's journal.

Nurture preschool (Caterpillars)

Caterpillars have been exploring the weather, making rainbows, enjoying water play and visiting our tuff tray beach. This month we are learning all about on the farm.

Baby Barn News

Our youngest children are now returning with more coming back every week! They are so resourceful and enjoying time with their friends and carers

Transitions for children moving to a new room will take place the first week in September. Your key workers will discuss transitions over the next few weeks, if you are unsure whether your child is moving to a new room please talk to your child's key worker.

Many thanks for all you support over very strange times, Judy and the team x
