### **Covid-19 Policy and Procedure**

Managers and Staff should have an up to date knowledge of Covid-19 guidance, testing, isolation periods and vaccines etc.

This can be achieved via:-

[Actions for early years and childcare providers during the coronavirus \(COVID-19\) outbreak - GOV.UK \(www.gov.uk\)](https://www.gov.uk)

Covid risk assessments should closely adhered to and updated regularly with changes from the government legislation.

Please ensure all touch points are regularly sanitised, along with encouraging children's personal hygiene practices.

Ofsted should be informed if Covid-19 cases are identified, along with any additional information, ie: if the setting has closed due to lack of staff.
